Dear Chairman DeFazio and Ranking Member Graves:

I am requesting \$7,425,050 in funding for reconstruction of the 10th St bridge over Grand Blvd in the surface transportation reauthorization legislation. The project sponsor for this project is the City of Oklahoma City, Oklahoma and the project is located at NW 10th St, Oklahoma City, OK 73107.

The funding is designated for the replacement of twin bridges constructed over Grand Blvd in conjunction with I-44 in 1971. The bridges are beyond their life expectancy and have been determined to be structurally deficient during the latest bridge inspection. Both bridges carry over 30,000 vehicles each day and span drainage and trail facilities along Grand Blvd. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits increased safety for drivers by replacing structurally deficient bridges in an area with a high volume of traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

STEPHANIE BICE
Member of Congress
