Dear Chairman DeFazio and Ranking Member Graves:

I am requesting \$10,000,000 in funding for construction of a fully directional interchange at I-35 and I-240 in Oklahoma City, Oklahoma in the surface transportation reauthorization legislation. The sponsor for this project is the Oklahoma Department of Transportation and the project is located at the intersection of I-35 and I-240 Oklahoma City, Oklahoma, 73149.

The funding is designated for construction of a fully directional interchange at I-35/I-240, including four remaining phases of the interchange to reconstruct the outer frontage road system and complete fully directional flyover bridges.

The project is an appropriate use of taxpayer dollars and is anticipated to have the benefit of creating a safe and efficient interchange in an area that experiences a high traffic volume.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

STEPHANIE BICE
Member of Congress
