The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Yukon's Water Treatment Plant in fiscal year 2025. The entity to receive funding for this project is the City of Yukon, located at P.O. Box 850500, Yukon, OK 73085. The funding would be used to replace the old and antiquated belt presses used to remove untreated effluent wastewater from the sludge removal process.

The project is an appropriate use of taxpayer funds because the current belt presses being used are in need of replacement, and new belt presses are needed to remove untreated effluent wastewater from the sludge removal process to comply with the Clean Water Act.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
Member of Congress
