Ranking Member  
Committee on Appropriations

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$10,000,000 in funding for the expansion of the water treatment plant in Edmond, Oklahoma in Fiscal Year 2023. This project is located at 24 East 1<sup>st</sup> Street, Edmond, OK 73034.

This funding would be used to expand the water treatment plant to increase capacity. The existing treatment plant currently treats 12 million gallons of water per day but must increase to 30 million gallons of water per day to meet the rising demand due to rapid population growth in the area. This expansion would not only allow Edmond to better serve its citizens but also better serve the smaller and rural communities that rely on the Edmond for their water supply.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Stephanie Bice  
Member of Congress
