Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$5,000,000 in funding for the Oklahoma Department of Transportation I-35 and Waterloo Rd project in Fiscal Year 2023. The Oklahoma Department of Transportation is located at 200 NE 21st St, Oklahoma City, Oklahoma, 73105.

The funding would be used to reconfigure the intersection to address condition operation and capacity concerns for the 50,000 vehicles that travel through this intersection each day. This project is located in a rapidly growing area between the cities of Edmond and Guthrie. The Oklahoma City metro area has expanded greatly to the north and urban traffic solutions are needed to ensure the quality of life and development potential are sustained for citizens are this this interchange.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Stephanie Bice
Member of Congress
