Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for rehabilitation work to the City of Bethany's wastewater lift system in Fiscal Year 2026. The entity to receive funding for this project is the City of Bethany, located at 6700 N.W. 36th St., Bethany, Oklahoma 73008. The funding would be used for upgrades and repairs to two wastewater lift systems serving the majority of Bethany's residents.

The project is an appropriate use of taxpayer funds because it will ensure city compliance with Clean Water Act standards by ensuring that sewer backups and overflows do not occur. The project has a federal nexus because the funding provided is for purposes authorized by 33 U.S.C. 1383 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
