WEST POINT BOARD OF VISITORS

March 13, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Oklahoma State University-Oklahoma City's Radiologic Technology Program Modernization project in Fiscal Year 2027. The entity to receive funding for this project is Oklahoma State University - Oklahoma City, located at 203B Whitehurst Hall Stillwater, OK 74078. The funding would be used to modernize its radiologic technology program through the acquisition of updated x-ray equipment, digital radiography systems, improved simulation capacity for positioning, safety procedures and emergency response scenarios. In addition, hardware and software will be acquired to help simulate advanced modalities such as computed topography and image optimization.

The project is an appropriate use of taxpayer funds because OSU-OKC's clinical partnerships ensure that curriculum, competencies, and rotations remain aligned with employer expectations. The project has a Federal nexus because the funding provided is for purposes authorized by section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice  
Member of Congress
