March 13, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Fire Station construction project for the Town of Langston in Fiscal Year 2027. The entity to receive funding for this project is the Twon of Langston, located at 222 S Tolson Street, Langston, OK 73050.

The current Fire Department has a sinkhole within the building, as well as a number of leaky pipes. These create deeply unsafe conditions for the City's volunteer firefighters. This project is critical towards ensuring their safety as they serve the community and protect it against fire hazards. The town is an appropriate use of taxpayer funds, as it will support the town's emergency response volunteers and fire safety.

This project has a federal nexus as outlined in 42 U.S.C. § 5305(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice  
Member of Congress
