Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oklahoma Department of Transportation's SH-33 and Broadway Avenue Intersection Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Oklahoma Department of Transportation, located at 200 NE 21st St., Oklahoma City, OK 73105. Improvements to the SH-33 and Broadway Ave. intersection will enhance traffic and safety along SH-33 in Logan County by adding dedicated turn lanes and address vertical and horizontal sight-distance deficiencies. This will improve traffic flow, reduce conflicts and provide a safer and more efficient connection for regional travel and local access.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 23 U.S.C. 133(b)1.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
Member of Congress
