Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of a new air traffic control tower at Wiley Post Airport in Fiscal Year 2027. The entity to receive funding for this project is the Oklahoma City Airport Trust, located at 7100 Terminal Dr, Unit 937, Oklahoma City, OK 73159. The funding would be used for the construction of a new air traffic control tower to replace the current tower that has exceeded its useful life. The new tower will correct existing line-of-sight limitations and be built on an independent parcel with a secure perimeter to maintain the highest standards of airspace management.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 49 U.S.C.47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
Member of Congress
