Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$2,026,099.45 for the 911 Center & Logan Co Radio Rehabilitation & Modernization project in Fiscal Year 2026. The entity to receive funding for this project is Guthrie Police Department, located at 306 W Oklahoma Ave Guthrie, OK 73044. The funding would be used to acquire technologies and equipment to assist first responders with reacting to emergencies.

The project is an appropriate use of taxpayer funds because the City of Guthrie's Central Communications Center (CCC) serves approximately 80,000 residents of Central Oklahoma. Additionally, the CCC addresses emergencies arising from the nearly 150,000 individuals traveling through the area via major highways such as Oklahoma State Highways 33 and 77, and U.S. Interstate 35. The project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice  
Member of Congress
