Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for rehabilitative and expansion work for the City of Harrah's sewer line system in the FY27 Interior and Environment appropriations bill. The funding will be used to upgrade parts of the system which are aging out of effective use and expand the sewer line to developing parts of the City.

The project is an appropriate use of taxpayer funds because it will help ensure compliance with the Clean Water Act by preventing wastewater backups or overflows. The project has a federal nexus, as the funding provided is for purposes authorized by 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
Member of Congress
