Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a new wastewater cell for the city of Wewoka's wastewater treatment facility in Fiscal Year 2026. The entity to receive funding for this project is the City of Wewoka, with an address of PO Box 1497 Wewoka, OK 74884. The funding would be used for the installation of a new court-ordered wastewater treatment cell in the Wewoka Wastewater Treatment Facility.

The project is an appropriate use of taxpayer funds because it will ensure that Wewoka's wastewater facility can comply with standards set by the Clean Water Act, and in doing so, prevent public health concerns from the emission of contaminated water. The project has a federal nexus because the funding provided is for purposes authorized by 33 U.S.C. 1383 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice  
Member of Congress
