Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for repairs and upgrades to the City of Yukon's wastewater treatment facility in Fiscal Year 2026. The entity to receive funding for this project is the City of Yukon, located at PO Box 850500, Yukon, OK 73085. The funding would be used for repairs to the facility's belt press system, which has aged out of use, and for the installation of an aeration generator, which will ensure that wastewater treatment can continue during power outages.

The project is an appropriate use of taxpayer funds because it will ensure compliance with the Clean Water Act by ensuring that wastewater backups and overflows do not occur. The project has a federal nexus because the funding provided is for purposes authorized by 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
