Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Konawa to replace unsafe drinking water distribution lines in Fiscal Year 2026. The entity to receive funding for this project is the City of Konawa, located at 122 N Broadway Street, Konawa, OK 74849. The funding would be used for the purchase and installation of new water distribution pipes.

The project is an appropriate use of taxpayer funds because it will ensure that the city no longer operates their water distribution system at an unsafe pressure level. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice
Member of Congress
