Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for OKNeuroNet in Fiscal Year 2026. The entity to receive funding for this project is Oklahoma University Health Science Center, located at 1100 N. Lindsay Ave, Oklahoma City, Oklahoma 73104. The funding would be used to leverage telemedicine to increase rural Oklahomans access to academic neurologists and deliver high-quality care statewide.

The project is an appropriate use of taxpayer funds because this allows resources to serve rural Oklahoma where there is limited access to mental and telehealth services. The project has a federal nexus because the funding provided is for purposes authorized by Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephanie Bice  
Member of Congress
