Oklahoma's Fifth Congressional District Service Academy Nomination Form

Thank you for your interest in the U.S. Service Academies. As your Fifth District Representative in the U.S. House of Representatives, each year I have the privilege of nominating a limited number of people to four of the five service academies. The honor of attending a service academy comes with an obligation and commitment to serve in the military for a minimum of five years upon graduation. Best wishes to you as you pursue your goal of attending one of the U.S. Service Academies and thank you for your interest in pursuing a life dedicated to serving our nation.

To request a Military Academy Nomination from my office, please complete this document and mail it to my Oklahoma City District office (postmarked no later than October 31st) or you may bring it to the Oklahoma City District office during regular working hours on or before the 31st of October. When you mail or bring in your nomination application, all supporting documents (including letters of recommendation, transcripts, copies of test scores, etc.) must be in the single envelope you provide. It is the candidate's responsibility to ensure that the application packet is complete at the time of its submission. Failure to follow the application process could disqualify you from consideration.

We will begin accepting nominations on August 1st.
